- RE: • Application of Mark S. Wrigley for Approval of the Sale
of a Portion of the Assets of Wyboo Plantation Utilities, Inc. to Clarendon County
• Docket No. 2008-445- WS

Dear Mr. Terreni:

As you know, Clarendon County is purchasing a portion of the assets of Wyboo Plantation Utilities, Inc., as outlined in Docket Number 2008-445-WS.

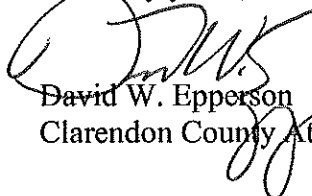

Our review of this Docket, after the intervention date passed, shows that there were no interveners, other than the South Carolina Office of Regulatory Staff and no substantial opposition to the proposed transfer and sale. Therefore, we urge you to grant the relief sought in this Docket as expeditiously as possible, and because there was no substantial opposition, without the further expense and delay of a hearing.

As you can see from the lack of substantial opposition to the proposed transfer and sale, the action of Clarendon County in taking over the utility operations in Wyboo is in the public interest and we are anxious to see the transfer and sale concluded as soon as possible. Please make the Commissioners aware of this correspondence. We appreciate the excellent work of the South Carolina Office of Regulatory Staff and the Public Service Commission of South Carolina in handling the proposed transfer and sale.

If you have any questions or concerns, please do not hesitate to give me a call.

With kind regards, I am

Sincerely yours,

David W. Epperson
Clarendon County Attorney
